HDRL requires at least two (2) POCs, full addresses, and telephone and fax numbers.

Due to the sensitive nature of HDRL’s reports, the POCs will be the only persons HDRL will consult for follow-up information. HDRL may also contact the POCs if questions arise concerning specimens.

Result reports will continue to go through the current mechanisms, but NLT 10 working days post reporting a positive result, HDRL will conduct a follow-up with the primary POC to ensure notification.

Please fax this information to (301) 319-3502. Additionally, keep this form on file and update HDRL with any changes regarding the POCs, addresses, or phone numbers.

For questions, please contact the HDRL Associate Laboratory Director @ 301-319-9938
